BARRIE BRAMLEY

Bio

Barrie's 'thing' is **there and back to see how far it is?** If you ask him about it, he'll tell you something like, *"it may sound like a strange journey to take, but in a world changing at the pace it is, understanding the emerging landscape around you, and the distances you may have to go to adapt, is critical."*

Barrie is privileged (some might say lucky) to have spoken to a variety of companies in many industries and in many different countries around the world.

Barrie speaks out of his experiences at Calidascope (a Disruption Agency), which is a business he helped start and is a partner in. His talks focus around the following areas:

- Disruption
- Creativity and Innovation;
- Change and Trends;

A quick summary of Barrie would include:

- Born in Johannesburg, South Africa,
- Curious, disruptive and idea generator
- Energetic and enthusiastic
- Currently a partner at the disruptive agency Calidascope.
- Founder and MD of trend business TomorrowToday, where he spent 11 years.
- He's been known as the Chief Imagination Officer / Curious Disruptor / Head of Play, and will continue to be and do that into the future.
- Dad to daughters (karma?)
- Lover of chocolate ice cream

Introduction Paragraph

Our next speaker is known as a curious disruptor. He works with businesses to help them find creative and useful solutions to ensure they both survive, and thrive into the future. Today he's here to take us there and back to see how far it is. Please welcome Barrie Bramley.
